

Position Announcement November 2024

Position:	Industrial Systems Technology Instructor
Position Status:	Full time
Application Deadline:	December 2, 2024
Primary Work Location:	VECTR (Veterans Education Career Transition Resource Center)
Projected Work Schedule:	40 hours per week / 12 calendar months per year

Position Summary:

Under general supervision, provides instruction to students in the classroom and lab settings, prepares syllabi and lesson plans. Develops program goals and objectives. The instructor must possess the ability to teach all phases of the curriculum. Demonstrates the use of appropriate teaching techniques; use of appropriate testing and grading procedures including proper maintenance of grade books and any other record-keeping required; effective use of oral and written communication skills; and knowledge of current in-field procedures. Follows approved course syllabus. Maintains program requirements, attends/completes all professional development training; meet with students and college personnel to discuss students' instructional programs and other issues. Evaluates student progress in attaining goals and objectives. Completes all reports, records and invoices in a timely manner and maintains accurate inventory of all assigned properties. Maintains qualifications for employment as described by the Technical College System of Georgia (TCSG) Policy Manual and accreditation standards. Follows rules and regulations as described by the TCSG Policy Manual and other policies and procedures established by the institution. Position may involve teaching traditional day and/or evening classes or online classes and will require travel within the college's service area and additional travel as needed.

Projected Work Hours/Location:

This position generally works normal business day hours of 7:45 a.m. to 4:45 p.m. Monday through Thursday, and 7:45 a.m. to 3:30 p.m. Friday. Additional hours or a flexible schedule to include evenings may be required as needed. Position will be assigned to the Georgia VECTR Center and may require travel to any of the locations within the College's service area and other travel as needed. This position will work all 12 calendar months per year and at 40 hours per week.

Teaching assignments may include teaching, and required travel, to one or more campus/site locations, to include dual enrollment programs and assigned locations, or any combination thereof, and may include a combination of face-to-face and distance instructional delivery methods. Faculty may be assigned to any campus/site based on the business needs of the college.

Physical Demands: Teaching responsibilities are typically performed in a classroom/lab environment with the employee intermittently sitting, standing, walking, bending, pushing, and pulling for three (3) – four (4) continuous hours at a time. The employee frequently lifts/carries objects that weigh 40lbs. Lab responsibilities are typically performed in an industrial setting and require that the employee stand/or walk for six (6) hours.

Minimum Qualifications: *Must upload transcripts/certifications which show conferred educational degrees/current certifications and document qualifications in the employment history:*

Candidate must meet one of the following (Standard Academic or Other) Qualifications:

Standard Academic Qualification	Other/Alternative Qualification – Applicants who do not meet the standard academic qualification <u>may</u> be considered under the following criteria:
<ul style="list-style-type: none"> ▪ Earned Associate Degree in Industrial Systems Technology or closely related field from an educational institution that is accredited by an institutional accrediting agency recognized by the United States Department of Education with demonstrated competence in the discipline to be taught, and, ▪ Three (3) years minimum full-time documented work experience in the discipline to be taught 	<ul style="list-style-type: none"> ▪ Earned Post-Secondary credential in Industrial Systems Technology or closely related field from an educational institution that is accredited by an institutional accrediting agency recognized by the United States Department of Education with demonstrated competence in the discipline to be taught, and, ▪ Three (3) years minimum full-time documented work experience in the discipline to be taught* <p>OR</p> <ul style="list-style-type: none"> ▪ Earned high school diploma or equivalent, and, ▪ Five (5) years of documented full-time work experience within the last ten (10)years, in the discipline to be taught* <p><i>*Candidate must upload the CGTC Faculty Qualification Equivalency Form and supporting documentation with their CGTC application demonstrate qualifications specific to the teaching discipline.</i></p>

Preferred Qualifications: *Preference may be given to applicants who, in addition to meeting the minimum qualifications, provide transcripts of conferred degrees and demonstrate in the employment history possession of one or more of the following:*

- Earned Bachelor of Science in Industrial Systems Technology or a closely related field from an educational institution that is accredited by an institutional accrediting agency recognized by the United States Department of Education
- Five (5) years of documented experience with instrumentation and control systems
- Documented post-secondary teaching experience

Salary / Benefits:

Target annual gross salary is in the mid to high \$50s. Salary to be determined by the candidate’s highest qualifying degree and/or related experience based on meeting published minimum and preferred qualifications. Position is eligible for state benefits to include retirement, insurance, leave accrual and holiday pay. CGTC is a member of Teachers Retirement System of Georgia (TRS) and Employees Retirement System of Georgia (ERS).

Application Procedure:

Applicants are required to complete the employment application in full and provide supporting documentation by the stated closing deadline for the position. GCTC does not accept mailed, faxed, or hand-delivered applications.

Applicants who complete the application procedure will be evaluated for meeting the position requirements based on the published job responsibilities, meeting the minimum and preferred qualifications based on the educational history, employment skills presented under job duties in the application system against the published job announcement. A completed application packet consists of the following:

1. A completed CGTC electronic application in the CGTC application portal.
2. As applicable, applicants for instructional positions are asked to provide a resume in addition to completing the CGTC application. Applicants for non-instructional positions may provide a resume if they wish. Submission of the resume does not replace the requirement to complete the CGTC electronic application.
3. Postsecondary transcripts that demonstrate the conferral of the degree, if applicable, and demonstrates the applicant meets the educational minimum requirements and, if applicable, the preferred educational requirements (*grade reports and diploma copies are not accepted in lieu of transcripts*)
4. Positions requiring a High School Diploma or GED as a minimum qualification do not have to submit a HSD/GED transcript documentation as part of the application process
5. Non-photo license(s) and/or certification(s) which fulfill the minimum, and if applicable the preferred qualifications stated in the job announcement

Incomplete application packets at the time of the position closing may not be considered. It is the responsibility of the applicant to obtain and upload the application documentation by the stated deadline.
