

## Director of Radiology Technology Programs (FT, VLD)

**CAMPUS:** Valdosta Campus

**STATUS:** Full-time

**POSTING TYPE:** Regular Posting

The Program Director for Radiology Technology is responsible for coordinating all academic aspects of a technical program. This position provides programmatic leadership to achieve the program standards of an accredited program of study to include classroom, laboratory, and clinical instruction, identifying appropriate resources and teaching methods, and evaluating students' progress in attaining goals and objectives. Specifically, the Program Director will be responsible for the didactic and clinical experience in accordance with JRCERT Standards of Accreditation. The program director acts as immediate supervisor to the assigned program faculty and is responsible for the smooth and effective operation of the department programs and personnel. Additionally, the program director assists with orientation of new program faculty, as well as evaluation of program faculty bi-annually and annually. The program director also maintains the overall department budget and ensures WGTC policies and procedures are implemented within the program. The Director of Radiology Technology Program also serves as a program instructor.

*Wiregrass Georgia Technical College seeks to recruit, hire, and retain faculty and staff who display a willingness to support students of underrepresented gender and minority groups, as well as students with disabilities. All employees of the college are required to participate fully in the realization of equity in recruitment, enrollment, retention, graduation, and placement of students enrolled or who seek to become enrolled in programs at the college, with a special emphasis on nontraditional program participants.*

**Reasonable Accommodations Statement:** To perform the duties of this position successfully, the incumbent must have the appropriate work experience, hold the appropriate certification and credentials, and be able to perform each key position duty satisfactorily. Reasonable accommodations may be made to enable qualified individuals with disabilities to perform the essential functions. Please contact [humanresources@wiregrass.edu](mailto:humanresources@wiregrass.edu) to request accommodations.

### SUMMARY OF WORKING CONDITIONS

- Equipment Used: Standard office equipment, Regular use of college owned or personal vehicle for performance of duties, Various types of advanced in-field equipment as required by academic program and accreditation standards.
- Working Conditions: Category I - High probability of exposure to hazardous chemicals/pathogens. Probability of working beyond the normal shift, but not frequently. Periodic travel between major Wiregrass campuses and satellite sites.

### MINIMUM QUALIFICATIONS

Master's degree in a related field – **OR** - A baccalaureate degree in field or a closely related field and actively working to obtain a master's degree in a closely related field within 18 months of employment, from an academic institution that is accredited by an institutional accrediting agency recognized by the United States Department of Education. Three (3) years documented clinical experience in the professional discipline. Hold American Registry of Radiologic Technologists (ARRT) current registration in radiography or equivalent (i.e., unrestricted state license for the state in which the program is located). Excellent written and verbal communication skills.

## PREFERRED QUALIFICATIONS

In addition to meeting all other minimum qualifications, the highly desired candidate will possess one or more of the following: A Master's degree in field or closely related field from a nationally or regionally accredited institution. A minimum of two (2) years of documented experience as an instructor in a JRCERT-accredited program. Proficiency in curriculum development, supervision, instruction, evaluation, and academic advising.

## SALARY/BENEFITS

Salary is commensurate with education and experience. This position is full-time and includes standard State of GA benefits such as leave accrual, options for health & other supplemental benefits, and retirement. This position may qualify the successful candidate for the Public Service Loan Forgiveness Program. *This position is funded in whole or in part by State/Local/Tuition funds.*

## BACKGROUND INVESTIGATIONS

Pursuant to college policy, a thorough background investigation, including a criminal history records check and employment history reference checks will be performed for all candidates offered employment. Other checks such as Motor Vehicle Records may be conducted for any candidate receiving an offer, as well as internal candidates prior to being promoted or transferred into a position with the college. **Other Required Tests: During the course of employment, incumbents in this position may be required to supervise students at an external clinical site or other medical facility as a condition of employment. Based on this assignment, the incumbent may be required to undergo and receive a negative finding/result on a ten (10) panel drug test BEFORE placement.**

Should a candidate be chosen for a 2nd interview, references which support prior work history and employment experience will be contacted. Please note that some employers charge a processing fee to complete employment verifications. If a former employer requires payment to complete employment verification forms, this fee must be paid by the candidate. For positions requiring official transcripts, the candidate will be responsible for ordering and payment for these transcripts. Wiregrass is responsible for payments for criminal history searches, MVR searches, credit checks, and other items listed in the required tests portion above.

## APPLICANT INSTRUCTIONS/INFORMATION

**Application Deadline: Tuesday, April 1, 2025 or Until Filled**
